Programme

Sept 08 – Jan 09

Kidderminster Library

Readers Group

We are an informal group of people who enjoy meeting to talk about books we have read. The group decides its own programme and takes the opportunity to include authors and titles that people haven't tried before as well as old favourites.

Membership is free. Just come along to the meetings when you can. Books and cassettes in the programme can be reserved free of charge upon production of this leaflet. Most titles are available from a book box at the meeting before.

We meet in the library at 7.30 pm normally the second Tuesday evening each month (please check the date as this can vary). Tea & Coffee.

New members are always welcome
